Mobile Arks

Blackdown is the buildings division of Brookridge Timber, a traditional sawmill and specialist timber treatment business, having been manufacturing and installing a wide range of quality timber buildings in the south west for 35 years.

Features:

- Solid tongue and grove timber walls
- 147mm x 47mm Stockwalling
- Galvanised fixings
- Robust design
- Unique coloured heavy gauged steel roofing
- Metal towing bar
- Skids allow the ark to be portable
- Juniper green roofing puts the Ark at one with the surrounding countryside

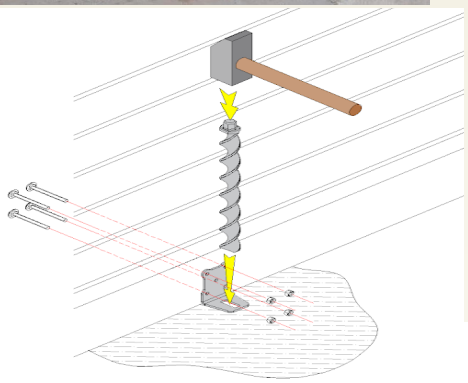
Prices Exclude VAT



To minimise the risk of wind damage **ALL** arks need to be secured to the ground. We recommend our ground anchor kits are used in all installations bar those on very sandy soils and concrete. It is the **customers responsibility** to ensure the building is adequately secured.

The Environment

Blackdown Buildings Ltd recognises its responsibilities to base its commercial activities on purchasing its timber from well managed forest sources.

We are committed to buying all our timber requirement's from legal and renewable sources and will seek evidence that our suppliers are in compliance with this policy.
