Supplied in kit form for self-assembly

Delivery available – POA

Installation service available

POA

To minimise the risk of wind damage, all arks need to be secured to the ground. We recommend our ground anchor kits are used in all installations bar those on very sandy soils and concrete. It is the customers responsibility to ensure the building is adequately secured.

All Prices Exclude VAT

The Environment

Blackdown Buildings Ltd recognises its responsibilities to base its commercial activities on purchasing its timber from well managed forest sources.

We are committed to buying all our timber requirement's from legal and renewable sources and will seek evidence that our suppliers are in compliance with this policy.
